Course Goals:
❖ Understand the basic concepts and knowledge of organic chemistry. Prepare yourself with sufficient knowledge of chemistry to pursue career that requires organic chemistry background.

Requirements:
❖ Class attendance is required.

Exams and Grading:
Exams: The grade will be based on five mini-exams and one final exam. The mini-exam date will NOT be announced ahead of time. Approximately one mini-exam will be given for every two chapters. All exams, including final exam, will be worth 100 points. All exams contain both multiple choice questions and free-response questions. One of the lowest mini-exam scores will be dropped from final grade calculation. The total points will be 500.

No make-up exam will be given for personal reasons. Make-up exam will be only given to students who missed the exam due to university-related businesses such as representing the university in a conference or an athletic team etc., jury duty call or military service call. Students requesting make-up exams must bring complete original documents for instructor’s consideration.
